NEW BUSINESS -WORK SESSION:**Discuss the Potential Submittal of a Conditional Use Permit to Construct a Gas Station/Convenience Store at 4714 Hog Mountain Road.**

Terry Boomer, P.E., LJA Engineering, 130 East Main Street, Canton, Georgia presented a discussion regarding a potential submittal of a conditional use permit to construct a food mart with fuel sales at 4714 Hog Mountain Road, Flowery Branch, Georgia. The property is currently vacant and is zoned Highway Business District. The development will require a conditional use permit for a food mart with fuel sales per code.

Due to the property's dimensions, being of narrow depth, this limits how the proposed use can be set and orientated. There are also extreme topographic conditions to the southwest portion of the property that also limits where and how the building may be placed. The requested variance is

asking for a 15' relief to the rear building setback, setting the proposed rear setback to a 10' setback. As the rear of the property contains a wall that drops to the rear of the buildings on the neighboring property, this will not cause any adverse impacts to the neighboring properties.

Council held a discussion with Mr. Boomer.

Consider Intergovernmental Agreement for Maintenance and Improvement of the Highlands to Islands Multi-Use Trail with Hall County.

City Manager Parrish presented an Intergovernmental Agreement for maintenance and improvement of the Highlands to Islands Multi-Use Trail with Hall County. This is a five-year agreement with Hall County and two other municipalities. Each City and County which is a party to this agreement shall be responsible for funding maintenance and improvements necessary to ensure the function and usability of the developed portion of the Highlands to Islands Multi-Use Trail.
